

CACI Names Christopher Voci Senior Vice President and Corporate Controller

Arlington, Va., November 13, 2018 - CACI International Inc ([NYSE:CACI](#)) announced today that it has appointed Christopher A. Voci as Senior Vice President and Corporate Controller. As Corporate Controller, Mr. Voci will be responsible for all aspects of accounting, financial reporting, and Sarbanes-Oxley compliance.

Mr. Voci joins CACI from Northrop Grumman Corporation, where he served as Vice President and Controller of the Innovation Systems sector. Prior to Northrop Grumman, Mr. Voci worked for Orbital ATK, Inc., where he served as Vice President, Controller, and Chief Accounting Officer.

Mr. Voci offers the company a unique combination of effective leadership, global business management experience, and mergers and acquisition expertise. In addition, he brings significant accounting knowledge and experience, as well as proven analytical, project management, communications, and negotiation skills.

[Ken Asbury](#), CACI's President and Chief Executive Officer, said, "Chris Voci is an exceptional leader in finance with a demonstrated track record of success. His financial experience and expertise is a great addition to our leadership team, and we look forward to his contributions to the continued success of our long-term strategy to win new business, drive operational excellence, and deploy our capital for future growth."

CACI provides information solutions and services in support of national security missions and government transformation for Intelligence, Defense, and Federal Civilian customers. A *Fortune* World's Most Admired Company, CACI is a member of the *Fortune* 1000 Largest Companies, the Russell 2000 Index, and the S&P SmallCap600 Index. CACI's sustained commitment to ethics and integrity defines its corporate culture and drives its success. With approximately 20,000 employees worldwide, CACI provides dynamic career opportunities for military veterans and industry professionals to support the nation's most critical missions.
