

CACI to Showcase Solutions at CDCA Defense Summit That Advance U.S. Navy and Marine Corps Modernization

Arlington, Va., November 27, 2018 - CACI International Inc ([NYSE: CACI](#)) announced today that it will showcase solutions to support the U.S. Navy, Marine Corps, and Joint Community at the [Charleston Defense Contractors Association \(CDCA\) Defense Summit](#) on December 5-6, 2018 in Charleston, SC. The annual conference brings together government and industry experts for collaborative discussions on defense technologies focused on C5ISR, information warfare, and cyber security.

At the conference, CACI will showcase a suite of innovative electronic warfare capabilities that enhance warfighter effectiveness and survivability in today's multi-domain battle. The company will also demonstrate how its artificial intelligence and deep learning capabilities enable large-scale automation to speed decision-making. CACI enterprise product lifecycle management tools to collect, aggregate, and visualize platform performance data will also be featured.
