

# CACI Named a Fortune World's Most Admired Company

## *Also Ranked Among the Most Admired Information Technology Services Companies Worldwide*

ARLINGTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE: CACI](#)) announced today that *Fortune* magazine has recognized it as one of the [World's Most Admired Companies](#) for 2021, CACI's 10th time appearing on the list. CACI ranked eighth among Information Technology Services companies worldwide.

CACI earned top scores under *Fortune's* survey criteria, which include innovation, people management, use of corporate assets, social responsibility, quality of management, financial soundness, long-term investment, quality of products and services, and global competitiveness. CACI was chosen from among approximately 1,500 companies considered by *Fortune* from around the world.

The honor comes as CACI continues to grow and build its reputation as a leading national security company with new expertise and technology offerings for its government customers. Most recently, CACI delivered a laser communications transmitter to NASA for use on board one of the agency's deep space missions. CACI is also an innovator in the areas of Counter-Unmanned Aerial System, Secure Communications, Artificial Intelligence, Cybersecurity, Agile Software, and other high-technology fields.

*Fortune*, in partnership with the global management consulting firm Korn Ferry surveys thousands of top corporate executives and directors to compile the Most Admired rankings. A company must score in the top half of its industry group to be included on the list.

[John Mengucci](#), CACI President and Chief Executive Officer, said, "CACI has earned this top honor from *Fortune* again because of the groundbreaking technology our talented employees invent and develop. These advances, which are critical to protect the national security of the United States, are a result of the commitment and dedication CACI engineers, scientists, technicians, and others have exhibited in these exceptional times – to the company and our customers."

CACI's approximately 23,000 talented employees are vigilant in providing the unique expertise and distinctive technology that address our customers' greatest enterprise and mission challenges. Our culture of good character, innovation, and excellence drives our success and earns us recognition as a *Fortune* World's Most Admired Company. As a member of the *Fortune* 1000 Largest Companies, the Russell 1000 Index, and the S&P MidCap 400 Index, we consistently deliver strong shareholder value.
