

CACI President and CEO John Mengucci Named ‘Executive of the Year’ by ACG National Capital

RESTON, Va.--(BUSINESS WIRE)-- CACI International Inc (NYSE: CACI) announced today that its President and Chief Executive Officer, John Mengucci, was named Public Company Executive of the Year by the Association of Corporate Growth (ACG) National Capital chapter. Mengucci was recognized as an industry leader and the chief architect of CACI’s unrivaled market-aligned business strategy designed to propel the company’s growth, and drive both innovation and differentiation. The recognition was awarded at a gala on June 5, 2025, in McLean, Virginia, and is based on his career achievements and growth results in calendar year 2024.

“I am deeply humbled to receive this prestigious industry recognition,” said Mengucci. “This award is a direct result of our vision to transform CACI into a mission-focused, expertise and technology company—one that invests ahead of our customers’ needs and embeds an outcome-based mindset into everything we do for the federal government.”

Under Mengucci’s leadership, CACI achieved calendar year 2024 results of \$8.1 billion in revenues, and double-digit revenue growth of more than 14% at year end. The company also delivered strong profitability and drove excellent shareholder value.

“I am extremely proud of our differentiation path, which has led us to success while remaining true to our core values of character, innovation, and excellence in all we do. While our legacy spans more than 63 years, we are just getting started. Our extraordinary workforce of 25,000 resilient and dedicated employees will continue to push boundaries, solve complex challenges, and deliver unparalleled mission outcomes for our customers for years to come,” said Mengucci.

This year’s ACG awards recognized companies based in the Washington D.C. region for excellence and outstanding achievements in calendar year 2024. The Corporate Growth Awards annually honor companies and deals that have built corporate value through mergers and acquisitions, strategic partnerships, organic growth, and capital financing.
