

CACI Empowers Fleet Readiness for the U.S. Navy Portsmouth Naval Shipyard (PNS) Engineering and Planning Department (EPD)

RESTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE: CACI](#)) announced today that it has been awarded a five-year task order valued at up to \$145 million to continue supporting the U.S. Navy Portsmouth Naval Shipyard (PNS) Engineering and Planning Department (EPD), enabling the nation's fleet to be ready at a moment's notice.

"For more than three decades, our experts have remained the Navy's trusted provider to help ensure dominance in submarine warfare. With innovative, mature solutions, we keep the fleet prepared and ready to respond rapidly," said [John Mengucci](#), CACI President and Chief Executive Officer. "Backed by our intrinsic knowledge, we bring innovative efficiencies to acquisition and engineering while delivering what matters most: mission-critical results that are on time, on budget, and built to the highest standards."

Under this task order, CACI will provide expert engineering and support to the EPD at PNS. This includes solutions across various undersea engineering disciplines for the modernization, maintenance, and repair of Navy submarines and submersibles. This work encompasses advanced planning for the Ships Availability Planning and Engineering Center (SHAPEC), technical engineering support to the Deep Submergence Systems Program (DSS), and execution support for depot-level submarine maintenance at PNS.
