

CACI to Strengthen U.S. Army Readiness and Spectrum Dominance with Next-Gen Electronic Warfare

RESTON, Va.--(BUSINESS WIRE)-- CACI International Inc ([NYSE: CACI](#)) announced today that it has been awarded a five-year task order valued at up to \$250 million to enhance spectrum dominance for the U.S. Army Capability Program Executive – Intelligence, Electronic Warfare & Sensors (CPE IEW&S).

“At CACI, we are making bold investments in battle-proven, software-defined EW solutions that allow us to stay one step ahead of the enemy and drive decisive action,” said [John Mengucci](#), CACI President and Chief Executive Officer. “We empower warfighters to achieve and maintain spectrum dominance, especially when their lives are on the line in highly contested environments.”

CACI will leverage its intrinsic knowledge to provide comprehensive integration and sustainment of the technology to advance the Army’s multi-domain EW and spectrum dominance capabilities.
