

CACI Assessed “Awardable” for Department of War Work in the CDAO’s Tradewinds Solutions Marketplace

CACI International Inc ([NYSE: CACI](#)) announced today that it has achieved “Awardable” status through the Chief Digital and Artificial Intelligence Office’s (CDAO) Tradewinds Solutions Marketplace.

“This designation by CDAO for CACI’s Agile AI Solutions Factory firmly validates our AI-native delivery model that embeds intelligence across the software lifecycle to drive real-time transparency, end-to-end automation, and outcomes at enterprise scale,” said Jimmy Norcross, CACI executive vice president of Digital and Enterprise Solutions. “This designation reinforces our commitment to delivering trusted, operationally relevant technologies that accelerate decision advantage for our defense and national security partners.”

CACI’s differentiated capabilities are designed to deliver innovative, mission-focused AI, analytics, and software-defined solutions that strengthen national security and operational advantage. They are used by a broad range of national security customers across the Department of War (DoW), the Intelligence Community, and federal civilian agencies.

The Tradewinds Solutions Marketplace is the premier offering of Tradewinds, the DoW’s suite of tools and services designed to accelerate the procurement and adoption of AI/Machine Learning (ML), data, and analytics capabilities.

CACI’s video on the Agile AI Solutions Factory is accessible only to government customers on the Tradewinds Solutions Marketplace. It presents a real-world use case demonstrating how CACI operationalizes AI to accelerate decision advantage. Government customers interested in viewing the video solution can create a Tradewinds Solutions Marketplace account at tradewindAI.com.
